Even the most advanced technologies available in today's hearing aids cannot always compensate completely for a hearing loss. These educational and support groups provide an excellent opportunity to gain information and to interact with others who are experiencing similar issues.

**Topics:**
- Understanding hearing and hearing loss
- Interpreting the results of your hearing test (Be sure to bring along your own audiogram)
- Hearing aids and other devices
- Strategies for coping with difficult listening situations
- Principles of speech reading
- Special topics suggested by the group

An accompanying person (spouse, partner, family member) is encouraged to attend classes also.

**SIGN UP NOW,**
**GROUP SIZE IS LIMITED**
